## AGENDA

The purpose of an Agency Work Session is to provide the Agency with an opportunity to informally discuss topics of common concern and interest and to exchange ideas with Staff, not to make decisions or to direct Staff toward a specific action or conclusion beyond identifying additional information the Agency would like to have presented at a later date. As no decisions are made, there will be no voting by the Agency at the Work Session. The District Manager or members of the Staff may confirm any additional information the Agency requires as part of any future discussions regarding the presented topic(s). If a Work Session topic subsequently requires official action, it will become an action (voting) item on a following Regular Session Agenda. Per ORS 192.670(1), Agency Members will be participating in this Work Session by electronic communication. **Due to the COVID-19 Pandemic this Agency Work Session is for the sole purpose of conducting business on the agenda. No public comments will be entertained at this Work Session.**
