5	Updated Feb. 18, 2014	Urban Renewal projects updates	A new "call for projects" is currently underway; staff is soliciting discretionary funding applications for FY14-15 through the end of March 2014; the URAC and Agency will review, discuss and recommend projects to be funded at a joint meeting scheduled for April 14, 2014.	CEDD Economic Development
6	New Item Feb. 18, 2014	Key Employer visits	Staff has made contact with six of the City's key employers to set up visits with staff and members of the Council in 2014. Four visits have been established in March, April, May and August.	CEDD Economic Development
7	New Item Feb. 18, 2014	Economic Development Training for Council	Staff is in the progress of identifying an individual to conduct a training event in Spring 2014.	CEDD Economic Development
8	New Item Feb. 18, 2014	Revise La Grande Main Street MOA	Staff will be drafting a revised MOA between the Agency & LGMS; likely target for Agency consideration is April.	CEDD Economic Development

10	No Change December 18, 2013	Taylor Creek Floodplain Mapping	Concurrently with the Gekeler Lane Project in 2008, a section of Taylor Creek, between 16th Street and 20th Street, was relocated further to the South within a large channel which resulted in a significant change to the Taylor Creek floodplain. At the time, a "post" floodplain analysis was not conducted in accordance with FEMA requirements. As a result, the Planning Division and Public Works are working with the Army Corp. of Engineers (USACE) to conduct the analysis and pursue amendments to the FEMA maps. USACE received partial funding in their 2013-2014 budget for this project, which will allow for a hydrologic analysis to be completed. USACE will be seeking funding in their 2014-2015 budget to complete any remaining analysis and preparing a report for FEMA. Once this is complete, USACE will provide the report to the City. The City will be responsible for submitting an application to FEMA to amend the floodplain maps. The earliest this project may be completed, including FEMA map updates will be 2016.	CEDD Planning

11	Updated Feb. 12, 2014	Department Secretary position	On December 2, 2013, CEDD Secretary, Barbara Trick, submitted a letter announcing her retirement, effective December 31, 2013. Barbara worked for the City for a little over 10 years; she will be missed. Since January 1 <sup>st</sup> , the Community and Economic Development Department (Planning and Econ. Dev.) has been short staffed, but has managed to maintain a high level of service. A new CEDD secretary has been hired with a start date of February 18 <sup>th</sup> . Please feel free to stop in, introduce yourself and welcome Kendra Van Cleave to our team.	CEDD
12	Updated February 20, 2014	Parks and Recreation Director Vacancy	The City Manager formed a search committee to assist with the selection of the new Director. Seven candidates are under consideration with scoring of applicants to begin the week of February 24 <sup>th</sup> .	City Manager
13	Updated February 20, 2014	Joint Work Session on Storm Water and Flood Plain Issues	We have scheduled a joint work session in March between the City and County to hear a presentation on work done to address storm water and flood plain issues in La Grande and the surrounding area. The County obtained grant funding for the study and the City has been involved in the process at the staff level.	City Manager
14	Updated February 20, 2014	Adams Avenue Street Scape (formerly Big H Phase II)	The Urban Renewal Agency will move forward with plans to continue the Big H improvements along Adams Avenue with the same general design. The intent, within funding limits, is to tie in the improvements on 4 <sup>th</sup> Avenue to the Big H along Adams Avenue and continue to Island Avenue. There are no plans to do any of the side streets at this time. During the annual Retreat, the Agency discussed the merits of delaying or phasing the project to allow for additional funding of public-private partnerships. Staff intends to develop a budget based on this change.	District/City Manager
15	New Item February 10, 2014	Parks and Recreation Advisory Commission (PRAC) Joint Work Session	Council and PRAC to discuss aquatics utility fee and Morgan Lake recommendations from PRAC	City Manager
16	New Item February 10, 2014	UCEDC Annual Work Plan and Goals for 2014	The agreement between the City of La Grande and UCEDC requires an annual approval of the goals and objectives related to funding from the City/Urban Renewal Agency	City Manager
17	New Item February 10, 2014	La Grande Main Street (LGMS) MOA Update	Based on the City Council's annual retreat, the Memorandum of Agreement (MOA) between LGMS and the City needs to be revised to reflect the direction of the City Council.	City Manager
18	New Item February 10, 2014	Collective Bargaining—Police	The Collective Bargaining Agreement between the City and this bargaining group expires in June, 2014, and the City and the Union will be negotiating a new contract.	City Manager

20	New Item February 10, 2014	Collective Bargaining— Employees Association	The Collective Bargaining Agreement between the City and this bargaining group expires in June, 2014, and the City and the Union will be negotiating a new contract.	City Manager
21	No Change February 15, 2013	Transportation SDC	The Staff will explore a Transportation System Development Charge that could be imposed on new development to be used for improvements to the transportation system in La Grande. Such a charge could not be used for maintenance.	City Manager
22	No Change December 7, 2011	Personnel Policy Manual	We are shifting directions on updating the Personnel Policy Manual and intend to use a model PPM as a starting point and revise for our specific needs.	City Manager
23	Updated February 20, 2014	Charter Cable Franchise Agreement	A number of Oregon cities, including La Grande, are working together on a draft standard franchise agreement to present to Charter in an effort to save costs and preserve local government interests. The City Manager of Union has agreed to coordinate the efforts with the La Grande City Manager assisting as one of the three member negotiating team. Our team met in January with the Charter team in Hood River and plan to meet again in March.	City Manager
24	No Change June 23, 2011	Eastern Oregon Fire Museum Lease	The current agreement between the City and the Volunteers states that the Volunteers will sublet the property and use the revenues from the rent to maintain the building. The Volunteers have lost both UCT and the Chamber as tenants and have received notice that their last tenant will be leaving as well. While the City doesn't have responsibility for the property, we do have an interest in what happens given our ownership of the building and we will monitor the situation.	City Manager
25	Updated February 14, 2014	Council Work Sessions Schedule	The Council met in its first Work Session of 2014 on Monday, February 10, with Staff and Kristen Dollarhide, Executive Director of the Union County Chamber of Commerce, to discuss the Annual Tourism Marketing Report.  On Monday, February 24, the Council will meet in its second and final Work Session in February, to discuss the City Manager's Annual Evaluation.  Monday, April 14, has been reserved for a Joint Council/Urban Renewal Advisory Commission (URAC) Work Session, to receive/review/discuss Downtown project presentations and the potential funding for those projects.	City Recorder
26	No Change September 18, 2013	Ordinance and Resolution Review	This item formerly referred only to drafting a "Procurement Ordinance." It has evolved, however, to an "as time permits" review of existing	City Recorder

Item	Date of Change	Item	Comments	Department
27	No Change September 18, 2013	Develop Records Management Policies and Procedures/Rehab Records Center	Ordinances and Resolutions, to confirm relevance, accuracy, and compliance with recent Legislation. We are also attempting to ensure that, whenever possible, we have only a single Ordinance or Resolution addressing a specific issue, as was accomplished during the Council's Regular Session on September 11, 2013, when the new Downtown Public Improvement Standards were adopted and incorporated by Resolution with the existing Engineering Standard Drawings and Specifications for Construction Manual, also previously adopted by Resolution but correspondingly readopted on the 11th, to enable both documents to be archived and made available as one. This enhances record keeping, is more convenient and efficient for Staff, and considerably more user friendly for our citizens and/or others making a request for those and similar documents.  We are also finding that it may be possible to update and streamline some of our traditional processes that may no longer require the formality of a Resolution, for example; again, expediting action and saving time and other valuable resources.  Addressing the above issues is an inherent segue to reviewing and refining how we file, store, and maintain our records, including those electronically developed (email, for example) in compliance with the State of Oregon's Public Records laws and Records Retention requirements. This includes proper identification of records scheduled for destruction, in compliance with the State of Oregon's Records Destruction requirements. Fortunately (or maybe not, when viewed from an adequate storage perspective), there is little of the latter, because the nature of our business requires the permanent ("forever") retention of all of our formal documents (Ordinances; Resolutions; Minutes of every variety; most contractual agreements, both internal and external); certain financial documents, and so on.	City Recorder
28	Updated February 14, 2014	Advisory Commission Vacancies	Applications for Advisory Commission vacancies are at last on the upswing, and we are keeping our fingers crossed that this trend will continue! Please keep in mind as you review the following numbers that the Council will have hopefully made additional	City Recorder

40	Updated Feb. 18, 2014	Traffic School	(12) Students instructed resulting in \$600 in revenue from student fees.  **Historical footnote. In the month of May 2013, we celebrated 8 years of teaching the traffic safety school at La Grande Fire. During those 8 years only 3 times has class not occurred on a monthly basis. We taught 1292 students during that time, resulting in \$61,000 in class fees collected.	Fire
41	No Change May 29, 2013	Training/Conf.	Training/Conferences  FD Secretary attended annual conference of the Oregon Fire Service Office Administrators (OFSOA) and a conference put on by our ambulance billing service.  FD TEMS members of the Inter Agency SWAT team successfully completed a basic SWAT team member training course.  A Fire Captain attended a DPSST course on the National Fire Incident Reporting system.  FD Training Officer attended annual EMS conference.	Fire
42	No Change Sept., 2013	Fire Safety House Trailer	The fire safety trailer was on display and provided fire safety education at the Union County Fair.	Fire
43	No Change Oct. 12, 2011	EO Fire Museum	The old fire station is currently empty of tenants and the building has been winterized. The EO Fire	Fire

			Museum board is having conversations with a couple of potential tenants and hopes to have someone in the building shortly after the first of the year.  A rain roof is being constructed over a lower level roof on the alley side of the building. The rain roof is being constructed to fix a small nagging leak that would have required the removal of large HVAC units and roof mounted duct work to patch, the cost of which is beyond the EO Fire Museum's ability to pay.	
44	No Change Dec.12, 2011	Development of Training Burn Structure	Three 8'X 40' intermodal storage containers have been setup on property owned by the City near the UC Fairgrounds. The containers will be used for structure fire training of our firefighters. The interior of the containers will be fitted with movable walls to simulate building rooms and hallways. Small fires will be set in one end of one of the containers which will create heat and generate smoke on the inside of the burn structure. Firefighters will be able to practice search and rescue skills, and fire attack techniques in a structure designed for that type of training. With the development of this burn structure, we will be able to provide realistic "live" fire training in a safe controllable environment. Money raised from the annual firefighter's pancake breakfast was used to purchase the containers and develop the site. LG PWs helped level the area.	Fire
45	No Change Dec. 30 2013	Development of Fire Training Facility	The training tower has siding on it and will be painted when it warms up in the spring. There are a few other little things that still need to be finished but we have been using the tower in our training exercises and have found it to be a great asset to our firefighting preparation.	Fire
46	No Change Sept., 2013	Weed/Tall Grass Complaints	40+ weed complaints have been received and investigated with 36 property owners given notice to cut and remove the vegetation from their property. 4 properties were cut by a City hired contractor.	Fire
47	No Change May 29, 2013	Fire Station Tours and Safety Presentations	(4) School groups toured fire station and received fire safety instruction.  We had the new aerial out at Riverside Park for a Greenwood Elementary School educational activity.  Conducted a fire extinguisher training program for a local business.	Fire

59	Updated February 13, 2014	Pool Update	<ul> <li>Hosted a High School Swim on January 25<sup>th</sup> with 120 youth participating from Baker City, Pendleton, Hermiston, Hood River and The Dalles.</li> <li>The pool has acquired eight pieces of fitness equipment and will be setting up a dry land exercise room for our patrons, which should be available by April or May.</li> <li>Staff is currently working with Avista to secure incentive funds which will enable us to replace our old boiler with one that is 97% efficient instead of an 80% efficient one like we are currently using. Avista estimates that the 97% efficient boiler will save approximately \$2,600 annually in gas costs.</li> <li>Maintenance issues addressed include:         <ul> <li>replacing a draft inducer on the small pool boiler;</li> <li>replaced some fire wall and cleaned the large boiler;</li> <li>removed, cleaned and replaced flow meters so they are all working now; and</li> <li>replaced all of the faucets in the restrooms and locker rooms.</li> </ul> </li> <li>Staff determined that the gutters are leaking in places, resulting in the water seeping through the block and causing damage to the drywall. We are soliciting bids to line the gutters and seal the blocks.</li> <li>Lessons have doubled in size this fall and winter, with over 60 participants each session. Grande Ronde Academy students are participating in group lessons during January and February and Imbler students will begin their lessons in February.</li> </ul>	Parks - Aquatics
60	Updated February 13, 2014	Parks Maintenance Building Replacement	Plans were approved by the Planning Commission at their January meeting. Staff has relocated the supplies from the north end of the shop building to prepare the area for construction.	Parks Maintenance
61	Updated February 13, 2014	Parks Maintenance	<ul> <li>Pruned shrubs; established a space in the shop yard for limbs so they can be chipped on-site and used for planting trees. The Union County Work Crew will use their manpower and chipper to complete the work at no cost to the City.</li> <li>Snow removable and de-icing sidewalks as required by weather conditions.</li> <li>All equipment has been serviced and inspected. Installed a new fuel tank in the bed of the truck which pulls the trailer with the mower on it. The fuel tank will hold both diesel and non-ethanol gas,</li> </ul>	Parks Maintenance
