## AGENDA

*The purpose of a Work Session is to provide an opportunity to informally discuss topics of common concern and interest and to exchange ideas with Staff, not to make decisions or to direct Staff toward a specific action or conclusion beyond identifying additional information the Agency would like to have presented at a later date. As no decisions are made, there will be no voting at the Work Session. The District Manager or members of the Staff may confirm any additional information required as part of any future discussions regarding the presented topic(s). If a Work Session topic subsequently requires official action, it will become an action (voting) item on a following Regular Session Agenda. In accordance with the Oregon Public Meetings Law, Agency Work Sessions are open to the public; however, in order to make efficient use of time, public comments and questions generally are not entertained during the discussion segment of the Work Session. Time will not be designated for public comments during this Work Session. Members of the public are routinely provided with an opportunity to address the Mayor and Agency during the Public Comments portion of each Regular Session Agenda. Per ORS 192.670(1), some Agency Members may be participating in this Work Session by electronic communication.*
