Council Chambers

AGENDA

The purpose of a Council Work Session is to provide the Council with an opportunity to informally discuss topics and exchange ideas with Staff, not to make decisions. Council Work Sessions are open to the public; however, in order to make efficient use of time, public comments and questions generally are not entertained during the Work Session. The public will have an opportunity to address the Mayor and Council during the Public Comments portion of a Regular Session Agenda. Your patience and understanding are appreciated.
