AGENDA

*The purpose of a Council Work Session is to provide the Council with an opportunity to informally discuss topics of common concern and interest and to exchange ideas with Staff, not to make decisions or to direct Staff toward a specific action or conclusion beyond identifying additional information the Council would like to have presented at a later date. As no decisions are made, there will be no voting by the Council at the Work Session. The City Manager or members of the Staff may confirm any additional information required as part of any future discussions regarding the presented topic(s). If a Work Session topic subsequently requires official action, it will become an action (voting) item on a following Regular Session Agenda. In accordance with the Oregon Public Meetings Law, Council Work Sessions are open to the public; however, in order to make efficient use of time, public comments and questions generally are not entertained during the discussion segment of the Work Session. **Time will not be designated for public comments at the conclusion of the discussion.** Members of the public are routinely provided with an opportunity to address the Mayor and Council during the Public Comments portion of each Regular Session Agenda.*
