AGENDA

The purpose of a Landmarks Commission Work Session is to provide the Commission with an opportunity to informally discuss topics of common concern and interest and to exchange ideas with Staff, not to make decisions or to direct Staff toward a specific action or conclusion beyond identifying additional information the Commission would like to have presented at a later date. As no decisions are made, there will be no voting by the Commission at the Work Session. The Landmarks Department or members of the Staff may confirm any additional information the Commission requires as part of any future discussions regarding the presented topic(s). If a Work Session topic subsequently requires official action, it will become an action (voting) item on a following Regular Session Agenda. In accordance with the Oregon Public Meetings Law, Council Work Session are open to the public; however, in order to make efficient use of time, public comments and questions generally are not entertained during the discussion segment of the work session. Time will not be designated for public comments at the conclusion of the discussion. Members of the public are routinely provided with an opportunity to address the Landmarks Commission during the Public Comments portion of each Regular Session Agenda.
