

Community Brownfield Revitalization Program

Community Meeting

DATE

Wednesday April 13, 2022

TIME

6:30 - 8:00 PM

PLACE

Cook Memorial Library - Community Room
2006 Fourth Street, La Grande

RSVP

jacqueline.brenner@stantec.com

Learn about community-wide revitalization and redevelopment in La Grande and **financial assistance** available to property owners!

A \$600,000 EPA grant was awarded to the Baker Technical Institute (BTI) in collaboration with Eastern Oregon University (EOU), Baker City and the City of La Grande to assist property owners in implementing revitalization or redevelopment of community businesses and public assets.

Reuse of brownfields presents tremendous opportunities for economic development and other community benefits. We encourage property owners and community members to attend this meeting where you can learn how you can participate in shaping our community through this program.

Questions? Contact Jackie Brenner (503) 220-5420
